The Recruiting Officer

Dear Sir/Madam

I am writing this cover letter because I did like to be part of your **Products engineering team, manufacturing engineering team, Project engineering team, industrial engineering team, Quality control / Quality assurance engineering team, Health safety & environment engineering team, NDT (non-destructive testing) operator, maintenance and fitter engineering team** and I am ready to join your company. I have gotten experience on engineering business system, engineering design management, applied intelligent system, design prototyping & testing, visualisation techniques, analysis & simulation, Microsoft Access and computer aided design.

I also have experience on **Non Destructive Testing in welding and fabrication** which involves Manual metal arc welding [MMA]Tungsten Inert Gas welding [TIG]Metal Inert Gas welding [MIG]Metal Arc Gas Shielding welding [MAGS] Submerged Arc welding, Electro-slag Welding, Oxy-acetylene Welding, Spot Welding, Seam Welding, Stud Welding, Soldering and Brazing, CNC/Lath machines, operation of various band saws, use of gauges [calipers & micrometers], Radiographic, Ultrasonic, Liquid penetrant, Magnetic particle, Eddy current, Acoustic emission, Vibration analysis and Visual inspection.

Performing visual inspection and conducting equipment inspections as assigned on boilers, pressure vessels, heat exchanges, generator, tanks, pumps and piping. More also, I possessed a face to face customer's service experience which I believed will be added value in persuading telephone customers. I also have abilities which include, Good analytical and communication skills, Strong ability to Multi-tasking jobs, Good strength of character, excellent team player, Good leadership and organisation skills, Loyal, Honest, Highly Driven, Result Oriented and ability to work in a multicultural team which I believe will prove to be beneficial with in your company.

I believed my exceptional experience with self reliant, self motivated, well organized records keeping and writing skills will prove me better asset to convey ideas and principles towards the company and clients focus.

Please feel free to contact me on +234-7083854098, +234-9052291354, +234-8169496407 for further meeting and interview.

Thank you for taking your time to read my covering letter and I look forward to hearing from you soon.

Sincerely
Adeniyi Adesanya
