Dear Hiring Manager

I am excited to apply for the Quality Assurance Entry-Level position at Dana group. As a recent graduate in microbiology, I am eager to bring my passion for quality and attention to detail to a dynamic team like yours.

During my academic tenure, I gained a solid understanding of quality control principles and developed strong analytical and problem-solving skills. I am confident that my enthusiasm, combined with my ability to learn quickly, makes me an ideal candidate for this role.

In this position, I hope to apply my skills and knowledge to support the Quality Assurance team in identifying and addressing defects, implementing process improvements, and maintaining compliance with industry standards. I am excited to learn from experienced professionals and contribute to the success of Dana group

Thank you for considering my application. I would welcome the opportunity to discuss my qualifications further and learn more about your team's work.

Sincerely,

Suliyat Ibrahim
