## OBJECTIVE

As an HND graduate of Mass Communication, and one who had a charted course on Human Resource Management as a Human Resource Officer with the Society for Human Resource Management. Coupled the fact I considered creative skill very essential to becoming a fashion designer and with the few professional experiences I have gathered is a prove that I will not flop in being part of your team. I actually would be bringing some values, professional and career elements that is worth promoting and actualising every goals and objectives of the establishment However, I am one who is always eager to learn new ideas then put them into work. Ever devoted and dedicated to any assigned duties. I also got good skills as outlined in the skill column that hopefully would be contributing to achieving every set goals of the establishment.
