

Dear Sir/Ma,

I am writing to express my interest in the advertised open security position with your organization at this time. I am a dedicated and highly organized award winning security professional with more than 22 years of extensive experience in administration, operational security, risk management, situation analysis, emergency response, personal protection, planning, coordination, risk assessment and mitigation, fraud detection, prevention, and investigation, conflict de-escalation, security policy formulation and implementation, executive protection, protection of staff, visitors, and critical assets, intelligence gathering and analysis, military intelligence training, workplace violence prevention, CCTV operation, monitoring and training and recruitment

Well versed and skilled in formulating strategic security plans, conducting Security briefings, liaising with security agencies, conducting Security training, and formulating contingency security plans for project operations within culturally diverse, politically sensitive, strategically challenging environments, and emergencies procedures in highly threatful environments, and provide security response with tenacity. Also, with an understanding of GIS application in mapping, hotspot detection, spatial analysis, risk analysis and emergency response, disaster management, disaster risk reduction, disaster resilience building.

I can work with people of different nationalities, religions, and cultural backgrounds. Extremely flexible and can exercise sound judgment and make decisions independently and cope with stressful situations and frustrations.

I will be thrilled to get an opportunity to meet with you to discuss how my qualifications and experience will be beneficial to your organization's success. You will find my resume enclosed for your consideration. Thank you for your time.

Sincerely,

Godwin Akuche
