

Dear Manager,

I am writing to apply for the Mechanical Engineer/Technician position at your company. With more than 5 years of hands-on experience in automobile engine repairs and maintenance, I am confident in my ability to bring value to your team.

I have well drilled in basic and composite engine and total auto skills such as:

- Diagnosing and troubleshooting engine problems
- Rebuilding and repairing engines
- Conducting routine maintenance tasks
- Collaborating with technicians and engineers to improve processes

My experience has taught me the importance of attention to detail, effective communication, and teamwork. I am excited to apply my skills and knowledge in a new role and contribute to the success of your company.

Thank you for considering my application. I look forward to discussing my qualifications further.

Sincerely,

Chinaemelum.
