Hiring Manager,
Dana Group of Companies.

Dear Hiring Manager,

APPLICATION FOR THE POSITION AS A CHIEF SECURITY OFFICER

I am writing to express my interest in the position of Chief Security Officer in Dana Group. I have a Bachelor's Degree in Criminology and Security Studies, Certified Manager In Occupational Health and Safety (OSHA). I have over 12 years solid background in security management, strategic planning, crisis management, risk management, business continuity planning, and a proven track record of leading security operations at both corporate and field levels.

I am currently the Chief Security Officer at Duchess International Hospital, where I oversee the safety and security of the entire organization. In addition to my role, I am the lead Fire Marshal, I also serve as the Vice Chairman of the Health and Safety Committee of the hospital.

As a security and safety expert, I have successfully led the development and implementation of structured security strategies group-wise, working closely with management to align security initiatives with corporate objectives. Additionally, my experience in risk assessment, incident response planning, proactive approach to workplace violence prevention and my strong relationships with local, state, and federal law enforcement agencies makes me a valuable asset in ensuring the safety and security of any organization.

I am excited to contribute to your company by leading its security function and driving the implementation of its corporate security strategies. I believe with my decade years of experience in hospitality and FMCG, I will perform above the organization expectation if am given the opportunity.

Thank you for considering my application. I look forward for your review on my CV and feedback.

Yours sincerely,
Omorville Umoru
