PROFESSIONAL SUMMARY

Passionate and meticulous professional with over 3 years of unwavering dedication to ensuring the highest standards of quality in the pharmaceutical industry. Proven expertise in orchestrating seamless Quality Assurance and Control processes, specifically tailored to the intricate demands of pharmaceutical operations. Adept at implementing innovative solutions that optimize efficiency and drive a significant reduction in production defects. Eager to contribute this wealth of experience to a challenging role in QC Microbiology, Food and Pharmaceutical Quality Assurance.

EDUCATION

Kogi State University, Anyigba, Kogi State, Nigeria.

BSc in Microbiology

Jan 2015—July 2019

WORK EXPERIENCE

Dailyneed Industries Limited
In-Process Quality Assurance
April 2022 – Present

Lagos, NI

- Orchestrated comprehensive in-process quality checks in the dynamic realm of pharmaceuticals, achieving a notable 15% reduction in production defects.
- Collaborated seamlessly with cross-functional teams within the pharmaceutical department, swiftly resolving 95% of quality-related issues within 24 hours.
- Spearheaded the introduction of a cutting-edge quality audit system, tailoring it meticulously to pharmaceutical processes and enhancing overall efficiency by 20%.
- Implemented a training program for new team members, ensuring a seamless onboarding process.
- Contributed to the development and optimization of Standard Operating Procedures (SOPs) for quality assurance.
- Conducted regular internal audits to identify areas of improvement, resulting in increased process efficiency.

Primary Healthcare Centre, Giri.

Abuja, NI

Assistant Laboratory Technician (NYSC)

December 2019 to December 2020

- Executed a diverse array of laboratory tests with precision, delivering accurate results for various diagnostic procedures.
- Managed testing protocols across different medical conditions, showcasing adaptability in handling varied cases.

- Maintained detailed records of laboratory tests, enhancing data retrieval and analysis efficiency.
- Implemented a systematic documentation system, reducing errors and improving overall data management.
- Optimized resource utilization, leading to a 15% reduction in operational costs within the laboratory.

Daily Need Industries Limited

Lagos, NI

Quality Control Microbiologist (Intern)

March 2018 – September 2018

- Assisted in conducting precise microbiological testing on over 500 pharmaceutical samples, ensuring unwavering compliance with the highest industry standards.
- Played a key role in the development and execution of a comprehensive training program for new team members in the pharmaceutical division, yielding a substantial 25% improvement in task accuracy.
- Collaborated closely with the Research and Development team to implement new testing protocols, ensuring alignment with industry advancements.
- Gained hands-on experience in the maintenance of detailed records of quality control tests, facilitating accurate and timely reporting.
- Contributed actively to cross-functional teams addressing and resolving deviations from quality standards.
- Demonstrated a strong commitment to learning and adapting to the fast-paced pharmaceutical environment.

CERTIFICATIONS & TRAININGS

SKILL FACTOR

Soft Skills Training — 2020

SKILLS

TECHNICAL SKILLS

- Microbiological Testing.
- Quality Assurance and Control Processes.
- Compliance with Pharmaceutical Industry Standards.
- Documentation and Record-keeping in a Pharmaceutical Setting.
- Implementation of Quality Audit Systems for Pharmaceutical Operations.
- Microsoft Office
- Cross-functional Collaboration within the Pharmaceutical Department.

SOFT SKILLS

- Effective Communication
- Collaboration
- Problem-Solving
- Attention to Detail
- Time Management
- Adaptability
- Teamwork
- Critical Thinking
